Dear Students and Parents/Guardians,

Welcome to the team! We want to take this opportunity to tell you how excited we are to be teaching you in the upcoming school year!

As you can see, a team name has not yet been chosen. It is the responsibility of the entire team to choose a name and define who we are. The theme for the 7<sup>th</sup> grade hall is "ocean," so we have some room to be creative. Your teachers will be collecting ideas for our team name during the first week of school. We'll vote on the name and have the pod decorations ready to go before the first track out. So, start thinking of a great team name!

You may have some questions about this team that simply cannot be addressed in this letter due to limited space. For those reasons, you are encouraged to attend **Back-to-School Open House on Tuesday, July 21, 2009 from 7:00 -8:00pm** to learn more about our team plans. Please feel free to send us a note via email with your questions or concerns.

We have been working hard to prepare for an exciting year. We are in the process of planning lessons, projects, field trips, and team activities. We are expecting you to be prepared to work hard as well. To help you get prepared, on the back of this letter, please find a list of needed supplies.

We look forward to seeing you soon!

Bryan Fulford, Jodi Lay, Amanda Matheny, and Bill Muench
